

Left-Hand Answer

Read a short bass-clef phrase and keep three beats in each bar.

Starter: left hand; quarter, half and dotted-half notes. All note labels include the octave.

3/4 • quarter note = 60 • no pedal

Start here

1. Find C3, D3, E3, F3 and G3. C3 is one octave below middle C.
2. Count 1-2-3 in each bar; the final dotted half note lasts all three beats.
3. Practise bars 1-2, then bars 3-4. Keep your hand comfortable; no pedal is needed.

Self-check: keep the written pulse, observe held notes and stop at the end. The audio demonstrates this score; it does not listen to or assess your playing.
