

One Hand at a Time

Switch hands between bars without playing both hands together.

Next step: alternating hands; no simultaneous notes. All note labels include the octave.

4/4 • quarter note = 72 • no pedal

The musical score is written for a piano exercise in 4/4 time. It consists of four staves, alternating between Right Hand (RH) and Left Hand (LH). The first two staves (RH and LH) show measures 1 and 2. The next two staves (RH and LH) show measures 3 and 4. Notes are labeled with pitch and octave (e.g., C4, E4, D4, C3, E3, D3). The exercise is designed to be played one hand at a time, switching hands between bars.

Measure 1 (RH): C4 (quarter), E4 (quarter), D4 (half).
Measure 2 (LH): C3 (quarter), E3 (quarter), D3 (half).
Measure 3 (RH): E4 (quarter), G4 (quarter), F4 (quarter), E4 (half).
Measure 4 (LH): D3 (quarter), C3 (half).

Start here

1. Prepare right-hand C4-G4 and left-hand C3-E3. Use the written registers.
2. The right hand plays bars 1 and 3; the left hand plays bars 2 and 4. Rest the other hand.
3. Practise bars 1-2, then bars 3-4. Stop and reset before replaying a section.

Self-check: keep the written pulse, observe held notes and stop at the end. The audio demonstrates this score; it does not listen to or assess your playing.
