

C add9 (Cadd9)

Notes: C - E - G - D Formula: 1-3-5-9

Two root-bass spacing examples. They are not a complete inversion catalogue.

Added note higher (9th layout) - Cadd9

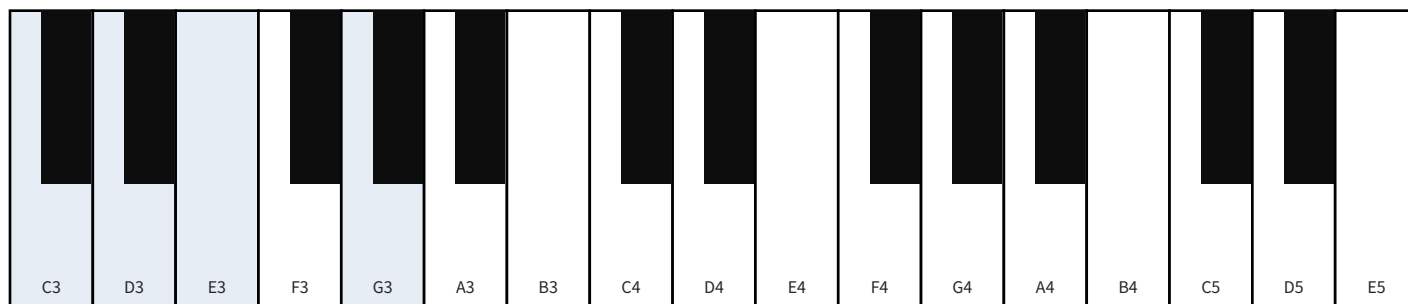

Bass: C3

Selected pitches: C3 - E3 - G3 - D4

Added note lower (2nd layout) - Cadd2

Bass: C3

Selected pitches: C3 - D3 - E3 - G3

The higher example places the added member 14 semitones above the root; the inside example places it 2 semitones above.

Both examples keep the third and omit the seventh. Octave numbers identify register, not fingers.

Keyboard window: C3-E5. Written spelling is preserved. No fingering is assigned.

Theory and notation references: see Sources on the matching PianoGrid chord page.

Original keyboard diagrams show the written notes, MIDI pitches and formulas above.
